Mission

Seeking to put God's love into action, Habitat for Humanity brings people together to build homes, communities and hope.

Vision

A world where everyone has a decent place to live.

About Us

Syracuse Habitat for Humanity was founded in 1984 as an independent affiliate of Habitat for Humanity International. As a 501(c)3 not-for-profit corporation, we build simple, decent, and affordable homes in partnership with qualified low-income homebuyers.

SHFH offers “a hand up, not a hand out.” We do not give our houses away; we sell them through affordable mortgages to low-income families living in substandard housing. There are three main criteria to our homeowner selection. First, their household income must be below 60% of the HUD median income, based on family size. Second, we look at housing need, whether it be more affordable housing, better conditions, or overcrowding. Lastly, the family must be willing to partner; homeowners are required to invest 300 volunteer “sweat equity” hours in labor, as well as provide a \$1,000 down payment. All homeowners are required to complete a HUD-approved First Time Homebuyer Course.

Thank you for considering a partnership with Syracuse Habitat for Humanity. Our deep commitment to ensuring all of our neighbors have a safe, affordable place to live requires creative collaboration with policymakers, community members, and organizations such as yours. We know that access to affordable homeownership is key not only in providing upward mobility, but also in advancing a more just and equitable community. We enable families to generate wealth and to secure brighter futures for themselves and future generations.

Partnering with Syracuse Habitat for Humanity is an excellent way for your company to provide meaningful employee engagement and team-building opportunities, enhance your company's visibility, and make a lasting, positive impact on our community. Whether you have time to volunteer, money to contribute, or the voice to spread the importance of affordable homeownership, there is always a place for you with us.

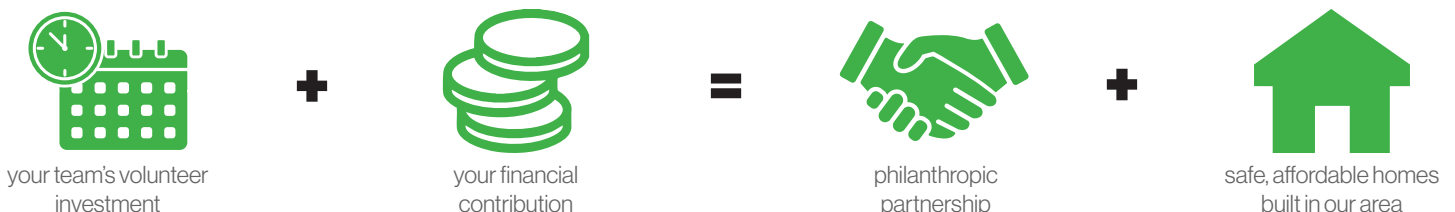

With Gratitude,

Sarah D. Bruce, AIA
Executive Director
